

Madison LeCroy Admits Losing \$400 of Southern Charm Guys' Money To Gambling | BravoCon 2023 | Bravo

Hi everyone Darren Carpi and welcome coming to you Well welcome to Bravo 2023 Can I get it for Bravo 2023 I'm coming from you from a live stage of Bravo Kan 2023 where we're bringing you Oh there we go My voice is am I feel very Jersey here You can watch all the excitement of Bravo K all weekend long on peacock Bravo TV dot com and Bravo socials But today I am so excited for this live stage performance First of these are the sexiest looking women in Bravo that I have ever seen in my life I think they're pretty excited to spare to share the next 30 minutes with us with no kids No diapers no one spitting in your face rightish Then again you haven't met me We'll see how that goes Please welcome some of Bravo's strongest fiercest mama bears We've got Ashley Darby from the Real Housewives of Potomac from below deck Beloved Bravo commentator Kate Chastain We have Madison Lacroix from Southern Charm Rachel Fo from the real house size of New Jersey Can't say it any other way babe Sorry We've got Whitney Rose from the real house size of Salt Lake City And last but certainly not least from my home state we got Jackie Gold Schneider from the Real Housewives of New Jersey All right ladies you look I mean if this is what motherhood is like I'm about to have sex tts up in here I am ready to pop Not sex T not sex sublets Darby All right So everyone how's been the second day of Bravo Con going Madison What's the energy like in this room What are you feeling I love it This is the best yet It's high energy And uh Rachel first time first time at Provo What biggest surprises so far Who are you excited to meet What's been going on for you here Honestly it's so nice to see like the positivity from the fans and the fan engagement That's what this weekend is really all about And I that is so much fun to me I love it I love it Whitney How's everything going This is this is not your first rodeo here This ain't your first rodeo I my first rodeo and I know you I know Oh she knows me She knows me Now I gotta ask do you guys watch the other Bravo shows All of them Ashley Stop staring me down Girl I'm I'm thinking I'm thinking about that too I watch a few of them It's hard when you have kids Like I watched one episode and I'm like oh crap Like I I'm for behind Well forget it Now I'm just gonna look on social media and get caught up Right Which one's your favorite that you've watched all of you I'm gonna ask you all of this Mine is

below deck Uh oh I love below deck I've been a hardcore fan forever Now are we talking med Are we talking adventure Are we talking sailing out Are we talking regular I like med You like Captain Sandy Yeah Oh yes I'm a captain Have a fondness for me even though I love and I got a fondness for me I like Mediterranean as well Yeah I love that I love that Jackie What's your favorite show in Bravo right now I'm loving Salt Lake City because I think Mary Cosby is the fun Do you want Mary Cosby to shade your outfit or do you want to like be friend Mary Cosby So she never I would like for her to shame me I think that she's very funny Whitney Does it feel good to be shamed by Mary Cosby She's so funny She's great TV It's scary though I'm scared It's so scary You just laugh at it right I wanted to tear you down with one comment like oh that was your choice today And I've never felt more seen and unseen in my whole life When was the last time you all were in Vegas Gamblers Anyone I was here a couple of weeks ago for my birthday What did she do I don't remember No we went to where did we go My husband's um I saw chain smokers I saw Wayne I went to a bunch of music I love music Any of you gamblers on the stage Matt Madison Silent Gods What's your game of choice Well I'm blackjack but have luck with roulette Oh I see I'm a roulette girl Like 25 bucks on red That's kind of my game If I lose it then I'm out I spent the guys on my show their money and they said oh I had a rough year I was like you did it financially So give me the \$100 and it's going on 17 And so I lost 400 of their doll hairs That's the only way to do it I mean else's money Yeah I don't mind spending other people's money Right Right A lot easier Right I mean why not Ks a not a gambler Oh yeah I made \$1000 my first night here First round on you What did you lose your second night here I did not gamble but I'm going back tonight Ok She's feeling lucky She's totally feeling lucky Oh the audience is asking where I feel like they want Maybe give king there are casinos everywhere Blackjack table I'm with you but I am gonna spend somebody else's money this time That's genius I got a question For all of you I know you guys get asked this but Bravo con things change on a dime You meet new people you vibe with people You didn't think you would vibe with Ashley I'm gonna start with you If you could be in any other Bravo show doesn't have to be housewives What would you drop yourself into Um Don't be saying Winter House don't be don't be saying that Ashley she's like Winter House I mean I do like the snow I would say uh southern charm I love southern charm I'm a I'm a band in Madison Would she fit in She'd get along Kidding Some spice in my life I'm getting bored out here and Bonita I love Bonita I would love that Kate I

would love to do real houses in Miami for convenience and I love Marisol It's around the corner from Fort Lauderdale It's vibrant It's so good That's what I would do Jackie Gold Schneider I am a big fan of the new Roy So I would drop into that Who do you think you'd vibe with the best on Roy I love Erin So yeah she would be your girl Rachel food Where are you going I know you're a Jersey girl so you don't want to leave But if you had to No but like maybe Beverly Hills just because I've never been to California Can we Everyone's in my ear is like what Like can we just you've never been to California No I've been to Europe and we've traveled and I've just never made it to Cali ok everyone is equally as shocked by this degree Right As such Ok we're gonna have to get you there so close right now I know Just go there after this I kind of want to I know it's only like a 45 minute flight Beverly Hills is a good choice then You you'd maybe fit right in or Orange County I mean either one I'm good God Whitney Oh that's hard I want to be a forever charter guest on below deck I just want to live on the yacht or a million dollar listing I've always been a huge fan of million dollars Which coast though New York you know Ok You like the New York real estate more Madison Where are you dropping yourself into here I have two places Salt Lake I would love Salt Lake but then also kind of New York You like the New Ro I do I love it What do you think you'd vibe with BB I knew it I knew it 1000% You guys just get along Um What outside of you guys on the stage What other brother Bravo moms have you met at Bravo Con Have you guys bonded over having Children having Children on air Like do you guys talk about if your kids are gonna watch the shows Like tell me who else Is you met Vanderpump are my kind of moms other than these girls of course But yeah I love them Are you asking who we talked to Yeah I spoke to Gina from Rajas of Orange County and I love her I love her too She's like so easy down to earth We talked about our kids and like the struggles of balancing everything that goes on when we're filming It's very challenging I was gonna say Rachel I know you want Beverly Hills I could kind of see you in Orange County I love it I'll do it like you and Gina Kircher would really There's a move there's a movie is your move there and it's beautiful Can I say one thing Of course no one here said they wanted to be on the cast of the Real Housewives and I don't understand why So gentle with each other Yeah Yeah I don't know why I mean like Jersey Girls they get a bad rap you know kind Yeah Right Well Shiv you in the bathroom No big deal Why not for each other and take care of each other No it's a family I prefer to be their friends in this setting Like getting glammed together is fun I don't want to be on a

show with all of you though However my husband would fit in with the men
Yes Oh my gosh 100% Everyone agrees Like food They're already best food
I mean would he would Justin wax his chest in a weird pattern Like food No
I hate me but I've made him get waxed before and you survived I tried it
myself You're still married So there's gotta be there's gotta be something
